

*Bob Empson*

## **Bob Empson, Management Consultant**

**Bob Empson is a trusted adviser & coach for boards, CEOs & senior executives. Facilitating progress, change & results.**

Since 1981 he has worked in/with over 250 organisations across the commercial, public and not-for-profit sectors. He specialises in strategy, change, marketing/brand and organisation/management development. He is also a seasoned executive/team coach and facilitator.

Bob is the founder of White Maple Consulting Ltd and is its Principal Consultant. His career started with British Petroleum in the UK and Africa. He became a management consultant in 1985 and, following leadership roles at two UK professional services firms, he founded White Maple Consulting in 2002.

Bob's insights and inspiration are gained from:

- Experience advising over 250 organisations from diverse sectors
- Over 35 years in business
- Work in both the boardroom and operations/field
- Delivery in nearly 40 countries on 6 continents
- An extensive personal network
- Tutoring at Warwick Business School for 10 years and an MBA
